You are invited to submit your local images on the theme of **“The Faces of the Mountain”** captured in our San Bernardino Mountains and mountain communities.

All entries must have been captured here in the San Bernardino Mountains. Your images should include subjects that tell the story of the faces that make our mountain communities unique. **It will be up to you to decide what “The Faces of the Mountain” means for you.**

Entry forms must be submitted by **June 15, 2017** and image submission can be no later than **July 1, 2017**. Images will be judged by a panel of local photographers and artists. Winners will be selected based on adherence to the contest theme, image content, artistic interest, and photographic skill.

This year we are adding a new award, “The Margaret Spiess Memorial Creative Achievement Award” for the photographer whose images reflect the most creative approach to the theme. The winner will receive a plaque to recognize this achievement.

Awards will be presented at a special Summer reception at the Mountain Arts Network Gallery in the Lake Arrowhead Village. Time and date of the reception to be announced.

In addition to the cash awards, All winners will receive a Certificate of Achievement and a matted print of their winning image.

If you did not receive the entry forms and rules, they can be downloaded at the MAPS website, www.mountainartsphoto.com.
